WHY CHOOSE AWESOME DISABILITY

- **A real monthly income:** $2,000 to $15,000 a month while the customer cannot work, rather than a one-off lump sum.
- **Own Occupation cover:** benefits are paid when the customer cannot do their own job, not only when they cannot do any job.
- **Long-term protection:** benefit periods up to retirement age, as well as 2, 5 and 10 years.
- **Keeps pace with inflation:** the Cost of Living Adjustment rider raises benefits during a long claim.
- **Grows with the customer's career:** the Future Purchase Option increases cover after a raise, promotion or marriage, without new medical underwriting.
- **Supports a gradual return to work:** the Partial Disability Benefit pays about 50% of the benefit while working part-time.
- **Part of a three-layer plan:** with Awesome Health (medical bills) and Awesome Critical Illness (lump sum), it completes medical, lump-sum and monthly income protection with one insurer.
